**Master Plan Meeting #5**

Both Becky Harvey, the Project Manager, from McKenna Associates, addressed the Planning Commission members. Becky presented a compilation of results from the survey, the preliminary or start up meeting with the planning commission and the visioning workshop completed at the July meeting. While the number of participants in the survey was limited, the results were consistent with the visioning workshop. The second half of the meeting was the review of the proposed conclusions. A few new ideas were identified during review. One in particular was the possibility of developing an inter-governmental group to investigate the development of the M-89 corridor between Plainwell and Otsego cities including the townships of Gun Plain and Otsego.

Motion made by Mike Bosch, support by Ron Cade, to adjourn the meeting at 9:05 p.m.

8 – Yes, 0 – No, 1- Absent. Motion carried.

Respectfully submitted,

---

Jeff Polonowski  
Planning Commission Secretary
